ESG SCORE: B
Good level of Sustainability

Company with a good level of compliance with ESG principles, in line with national and international best practices. The ESG Score complies with the international standards (Global Reporting Initiative, European Sustainability Reporting Standards and Sustainable Development Goals) and considers the most important, material and significant aspects relating to Environmental, Social and Governance factors.

ESG Score represents the evaluation of the compliance to ESG principles (Environment, Social, Governance) of a business, taking also into consideration industry sector and country/region.

The ESG score ("Score") is calculated based on a CRIF proprietary methodology that uses the information disclosed by the subject to whom the Score refers ("Rated Entity"). The abovementioned information is provided voluntarily under the sole responsibility of the Rated Entity and is not verified by CRIF S.p.A. and/or the companies belonging to CRIF Group that may be involved, in any capacity, in supplying the Score ("Companies"). The Score relates to the date that the questionnaire is completed (not continuously monitored over time). The Score is not a certification or a specific assessment, and is only intended to group the individual Rated Entities into reference classes for information purposes only. The Score is not subject to any guarantee with regard to its accuracy, completeness, or data reliability. CRIF S.p.A. and the Companies are not responsible for use by third parties of the Score and the related QR Code. CRIF S.p.A. and the Companies are not responsible for any decision based on the Score taken by the Rated Entity or any third party. The methodology used for the assessment platform is derived from CRIF Ratings S.r.l.

CRIF S.p.A. uses the GRI Standards under licensed authority from GRI, which verified the accurate representation of the GRI standards in Synesgy. However, GRI makes no implied or actual representations or warranties as to the correctness, compliance, trustworthiness, fitness of purpose or quality of the score presented in this assessment.
